Re: Joel F. Holubar and Mariana H. Holubar v. Kent Kholberger, Chase-Freedman Family Trust and M/Y Cherosa, in rem, Civil Action No. 03-CV-12404-NG, United States District Court, Boston, Massachusetts

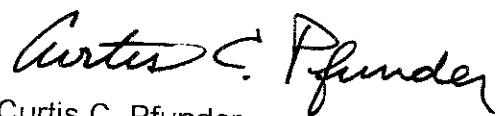

Dear Mr. Quinn:

This letter is to confirm that, per our telephone conversation today, the Scheduling Conference in the above-referenced case has been rescheduled from April 7 to Friday, April 16, 2004 at 10:30 a.m.

I am Massachusetts counsel for the defendants. This change was made at the request of the defendants, to accommodate a scheduling conflict of lead defense counsel, Mr. Radzik, who was previously scheduled to participate in an arbitration in New York on April 7 involving witnesses from abroad. I spoke with plaintiffs' Massachusetts attorney Kurt E. Bratten, Esq., and plaintiffs do not oppose the change of date.

Thank you for your courtesy and cooperation in this matter.

Sincerely,

  
Curtis C. Pfunder
